Admission Policy

PREAMBLE:

Dr. Sudhir Chandra Sur Institute of Technology & Sports Complex (formerly known as Dr. Sudhir Chandra Sur Degree Engineering College) was established under the auspices of JIS Foundation under Section 2(f) of the UGC Act, 1956.

This Institute, which was founded in 2009, is now well-known for its innovative and rigorous curriculum, which has produced experts in a variety of businesses and sectors in India and beyond.

This is being realized by offering admissions to eligible students irrespective of social, cultural, religious, economic and gender considerations. DSCSITSC offers seven undergraduate programs in engineering and two postgraduate programs in engineering.

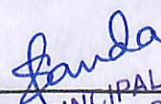

Standard procedures and guidelines pertaining to a self-financing minority institution given by AICTE, and MAKAUT are being followed in the admission process to admit the students. The Institute offers various scholarships to the deserving poor and meritorious students and facilitates other scholarships to the eligible students from the government in order that they pursue the course successfully.

BACKGROUND:

The Dr. Sudhir Chandra Sur Institute of Technology & Sports Complex, which has been known for its research culture and excellence in imparting Engineering, Science, and Management education for the past 12 years and is located near the Dum Dum Metro Railway Station and International Airport, is known for its research culture and excellence in imparting Engineering, Science, and Management education.

The institute is a virtual paradise of pristine environment and beautiful beauty, nestled in a rural setting of lush green fields. The beautiful avenue of trees and flowers on campus, aptly titled "Green Field," attests to the importance of ecology and the environment. The atmosphere on campus is ideal for academic endeavors.

SurTech has taken a worldwide approach to research and teaching, focusing on foreign viewpoints and knowledge. The Institute is dedicated to greatness and strives for it constantly, accepting nothing less than the best. Its faculty, which includes intellectual giants from India and internationally, is the Institute's bedrock. SurTech is in the forefront of using cutting-edge technology and preparing students for a globalized economy while also promoting holistic

540, Dum Dum Rd. Kolkata-74 1 of 8

learning, unbiased knowledge, industry-focused skills, ethics, a cosmopolitan outlook, and accountability for actions.

SurTech is establishing a national and international footprint through partnerships with world-class universities, study abroad programmes, and overseas internships and research.

It provides a comprehensive curriculum across a wide range of engineering degree programmes. These programmes provide students with a variety of academic options.

The Institute provides great educational opportunities for youth from all over the world at a reasonable cost. Through its social responsibility efforts, the Institute also provides unwavering support for community services.

PURPOSE/OBJECTIVE

The purpose of this policy statement is:

- to enumerate the policies and guidelines for the admissions to various Diploma, UG and PG programs.
- to make all the students, parents, and other stakeholders aware of the admission process and various schemes of scholarships available to support the students in academics.

POLICY

The Dr. Sudhir Chandra Sur Institute of Technology and Sports Complex is committed to ensure its admissions are accessible to diverse range of prospective students irrespective of social, cultural, religious, economic and gender considerations and make them graduate successfully by offering different facilitative schemes.

Our admission policies comply with relevant regulations given by AICTE, and MAKAUT.

DSCSITSC practices a transparent procedure in the admission process and is committed to providing accurate admissions information, which is clear, comprehensive, and easily accessible for applicants and the public.

All the information is published on the Institute website and updated regularly. For all the UG and PG programmes, an online application facility is provided on the Institute website.

ADMISSION PROCESS:

The relevant government agencies duly announce the dates and the processes of registration, counselling, and admission of the students to the respective programs.

PRINCIPAL
Dr. Sudhir Chandra Sur Institute
of Technology & Sports Complex
540, Dum Dum Rd. Kolkata-74 2 of 8

The website of the institute carries, from time to time, the dates of starting of admissions for UG and PG Programs. Leading newspapers also carry such information via advertisements.

Eligibility and selection criteria and fee structure for all the UG and PG programmes are displayed on the website of Institute.

Candidates can apply online for admission through the provisions available on the website of the institute.

Students are admitted to the various courses as per eligibility criteria declared by Regulatory Body like AICTE, West Bengal Joint Entrance Examination Board (WBJEEB), and Maulana Abul Kalam Azad University of Technology (MAKAUT).

1. For securing admission in any engineering & technology both in UG & PG aspiring students must registered himself in WBJEE / JEEMAINS / CEE-AMPAI and procured rank given by the concerned authority.

2. State quota seats: For admission to the state quota seat student must apply to WBJEE and follow the procedure laid down by the WBJEEB.

Students are advised to refer to the following website for the declaration of the registration date, choice filing and counselling. www.wbjeeb.nic.in. Once the student gets the allotment on any seats of B. Tech from WBJEEB, he is required to report to the admission section of Dr. Sudhir Chandra Sur Institute of Technology and Sports Complex within stipulated period and confirm his seat by paying the institute fees.

3. Vacant Seats: Even after the completion of the procedure of WBJEEB, if any seat remains vacant, those seats are to fill up as vacant quota seats. DSCSITSC offers admission on vacant seats as per the rules and regulations of West Bengal Higher Education Department through Decentralized Counselling.

✦ ELIGIBILITY CRITERIA:

Program	Branch	Eligibility
B. Tech	1 Computer Science & Engineering (CSE)	10+2 standard or equivalent with Physics & Mathematics
	2 Computer Science & Engineering (CSE-AI & ML)	along with any one of Chemistry Biology /
	3 Electronics and Communication Engineering (ECE)	Biotechnology / Computer Science / Computer
	4 Electrical Engineering (EE)	Application / Technical
	5 Automobile Engineering (AUE)	Vocational Subject as
	6 Civil Engineering (CE)	compulsory subjects with
	7 Mechanical Engineering (ME)	individual pass marks (Theory & Practical) and

✚ EDUCATION LOAN & STUDENT CREDIT CARD SYSTEM

Dr. Sudhir Chandra Sur Institute of Technology and Sports Complex provides all necessary assistance to the students for availing Educational Loan from different Bank. Concerned Bank sanction the loan based on the financial status of the applicant as per their criteria specified and few other parameters like marks obtained in last qualifying examination, Entrance examination rank, mode of admission etc. Institute certifies the student's candidature in a form of Bonafide Certificate along with the Institute's approval and affiliation status, which is a mandatory requirement for bank loan processing.

Benefits:

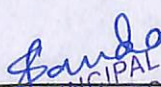

- Quicker processing and easy availability of Loan.
- Lower rate of Interest and repayment period from 5 to 15 years.
- Expenses for Hostel facility and others covered.
- Moratorium period ranging from six months to one year.

West Bengal Students Credit Card Loan Scheme:

Students of West Bengal studying in Dr. Sudhir Chandra Sur Institute of Technology and Sports Complex can avail the educational loan under the Students Credit Card Loan Scheme for their study in Diploma, UG and PG level of courses, as introduced by the Hon'ble Government of West Bengal. Students within the age limit of 40 Yrs. (at the time of applying) studying in any year/semester of courses can apply for the said Loan scheme. The terms and conditions specified in the scheme are most beneficial for the applicants. Any type of Co-lateral securities is not required for applying the Loan. Students may obtain the loan amount upto a maximum limit of 10 Lakh with 4% per annum simple interest from the State/Central Cooperative Bank, Public/Private sector bank. Repayment period is 15 years for any loan availed under this scheme including moratorium period. 1% interest concession shall also be provided to the applicants if the repayment of total loan amount is made during the study period.

✚ INSTITUTE SCHOLARSHIP

Name of the scheme	Description
Freeship schemes	The Institute has decided to offer Full Freeship and Half Freeship to the students belonging to poor economic background. To avail this scholarship, the students need to submit relevant documents
